

REMOTE AREA MEDICAL CLINIC

Hosted by Salud for Mahoning Valley

September 25-26, 2027 | Brookfield High School

Clinic Volunteers Needed

Put your skills to work for your community.

Volunteers of all skill sets are needed to support the Remote Area Medical (RAM) Clinic, including clinical professionals and general support volunteers.

Dental Team

Dentists and oral surgeons; dental hygienists; dental assistants; X-ray technicians; sterilization technicians and instrument processors; and dental students.

Historically the highest-demand area. Third- and fourth-year dental students can provide patient care under the direct supervision of licensed faculty.

Vision Team

Optometrists and ophthalmologists; ophthalmic and optometric technicians; opticians and frame fitters; lab technicians; and vision students.

Third- and fourth-year optometry/ophthalmology students can work under licensed faculty supervision.

Medical and Triage Team

Physicians (MD/DO), nurse practitioners, physician assistants, RNs, LPNs, EMTs, paramedics, pharmacists, pharmacy technicians, mental health specialists, social workers, specialized clinicians, and medical/nursing students.

Advanced health students can assist with triage and medical care when accompanied by authorized faculty supervisors.

General Support and Logistics

Help with registration, patient escorts, data entry, interpreting and translating, and setup and breakdown.

No experience required. Youth ages 14-17 can participate with a parental waiver.

All volunteers must register at RAMUSA.org/volunteer.
